

# Gather and Give Back

## BIRDHOUSE PAINTING FOR OUR COMMUNITY

Join us for a creative afternoon decorating birdhouses to brighten our community! These will be donated to CJE's affordable housing buildings as well as Gidwitz Place and Friend Center in Deerfield to beautify gardens and welcome local wildlife.

Birdhouses provide a safe space for birds to nest and raise their young away from the elements. By installing them, we help residents enjoy birdwatching while supporting conservation efforts for species struggling to find natural nesting spots.
