Dear Friends,

Congratulations to CJE Senior Life on your annual Celebrate CJE event, honoring over half a century of outstanding service to our community's older adults. CJE Senior Life is a pillar of the 10th district, and I am thankful for all you do to enrich lives.

Navigating life as an older adult or as a family member can be challenging at times. Yet, CJE, through a spirit of caring, helps make the challenges conquerable. That is why I am proud to represent two of CJE's facilities in my district.

The past year has seen great progress and innovations at CJE, including the launch of your Hub for Care Coordination, upgrades and renovations to facilities, and the growth of Tamarisk NorthShore in Deerfield as home to over 200 residents. Through these accomplishments and the dedication of CJE's staff, older adults' lives, and their families continue to be supported in ways that go above and beyond.

To all in attendance today, thank you for your support. You are all a witness to how tireless dedication can benefit our community. I wish CJE much success in the future, and I am certain that 2024's Celebrating CJE event will once again be a significant and motivating event.

With great pride, I am pleased to congratulate CJE SeniorLife in celebrating 52 years of success as a non-for-profit organization serving our local community. I am greatly appreciative to have CJE in our area. CJE SeniorLife has provided services to some of the most vulnerable people in our community, including thousands of older adults through comprehensive support for healthcare and housing resources.

Every year, CJE provides programming for over 20,000 older adults and family members in our neighborhoods. In the past year alone, they have assisted over 1500 clients through over 4700 hours of service, with 80% of the clients reporting they were more financially stable than before. The home-delivered food service programs, healthcare and therapy groups, and residential services not only assist our senior citizens to enhance their quality and comfort of life, but also work tirelessly to foster long-lasting networks of mentors, mentees, and close friendships.

CJE SeniorLife has multiple community learning opportunities that not only reach our senior citizens but also caregivers and families who support older adults. These community learning opportunities enrich the mind, body, and spirit which is a vital component of healthy aging. CJE also ensures that everyone receives the proper support and empowerment, such as connecting the caregivers to support groups to alleviate the challenges one faces with this journey. I was also impressed with the assistance CJE provides with housing, mental health research, and benefit counseling.

In addition, I commend the work of their team of 600 employees, who assist our senior population with daily tasks in the comfort of their own homes.

I wish CJE SeniorLife many more years of continued success in their future endeavors and thank them for all the work they do in serving our community.

Sincerely,

Dear Jane and Leslie,

Congratulations and thank you for the opportunity to join with you to Celebrate CJE and the incredible work this organization does every day. CJE continues to touch and transform the lives of 25,000 seniors and their families. CJE SeniorLife's values are a reflection of our community and are present in all the work that they do; compassion (chesed), respect (kavod), intention (kavanah), advocacy (timicha), innovation (chidushim) and accountability (arevut).

The creation of the HUB for Care Coordination, a single point of entry, connecting our community members with the wide array of services CJE provides, is an incredible step forward in making resources and care more accessible to those who need it most.

CJE works tirelessly to support seniors through navigating the complexities of Medicare and other government benefits, locating affordable housing that meets their needs, as well as providing information, referrals, reassurance and support. CJE also does an impressive job supporting seniors who need assistance with care management, home-delivered kosher meals, transportation, adult day services, health and wellness activities, counseling services, and legal services. CJE should take great pride in its work to support the community through its professional and community education programs, Holocaust community services, and caregiver resources. My staff and I are proud to work alongside CJE to best serve our seniors when they are in need of assistance.

We are all lucky to have CJE SeniorLife in our community. As a member of the Illinois Jewish Legislative Caucus, I thank you for all you do to provide programs and services that reflect Jewish values.

Dear Council for Jewish Elderly,

It is with great pleasure that the Office of the 49th Ward announces, once again, our continued support of the Council of Jewish Elderly. We are particularly excited to display this support in conjunction with the 51st annual Celebrate CJE event taking place this year. This is an important celebration that highlights the irreplaceable services that the CJE provides to elderly citizens of our Ward and the greater Chicagoland area throughout their existence. We express high gratitude to the CJE for their tireless dedication in assisting older adults to achieve lives of meaning, independence, and good health.

The mission and values of the CJE align with those of our Ward Office, which work to enhance the quality of life to those we serve to the highest degree. Thanks to CJE SeniorLife, approximately 20,000 elderly adults can rest easy, as they have access to a trusted care network that provides a wide range of services addressing personalized needs. Without these services there would be a tremendous void in the elderly care capacity of our Ward. We commend the work done at the CJE and thank them for their support in building up the quality of life in our community. We hope that those participating in Celebrate CJE take time to recognize and congratulate the achievements and services of this great organization.

The 49th Ward wishes continued success to CJE SeniorLife and many more Celebrate CJE events to come!

CJE SeniorLife

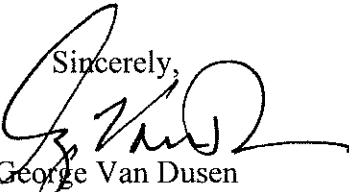

Dear Friends:

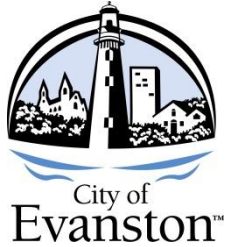

Congratulations CJE SeniorLife on another successful year! Since 1972, CJE continues to consistently provide our community with critically important residential programs and services for older adults and their families.

The array of community-based programs and services offered is a testament of how the mission of CJE SeniorLife is aligned with the needs and challenges that our elderly experience. Programs that focus on the physical, cognitive and emotional needs of our seniors while offering respite for their caregivers shows the dedication and commitment of the CJE SeniorLife staff – and I commend you all. For the over 25,000 seniors and family members that are positively impacted through life enrichment programs, Medicare and other healthcare service support resources, and the always popular Home delivered meals program, CJE SeniorLife is a cherished gem. Your work is needed now more than ever.

Thank you for all you do for our community. Please accept my best wishes to all on this festive, celebratory evening.

Keep up the good work!

Sincerely,  
  
George Van Dusen

Dear CJE SeniorLife Board Members, Staff and Supporters,

On behalf of the City of Evanston, I would like to congratulate CJE SeniorLife on an extraordinary record of providing compassionate care and steadfast support for older adults and their families in Evanston and throughout the Chicago area.

For more than 50 years, CJE SeniorLife has provided excellent and much-needed service to our whole region. CJE SeniorLife is a champion for older adults when navigating the complexities of Medicare and other government benefits, locating affordable housing as well as providing information, referrals, reassurance, and support. CJE provides a broad range of services to older adults in residential-based communities as well as those who live in their own homes. Every year, CJE serves nearly 20,000 older adults and family caregivers who turn to them for help.

As Mayor of Evanston, I'm truly grateful for the lasting, positive impact CJE has had in our community, and I look forward to many more years celebrating and supporting this wonderful organization.

Sincerely,

Daniel Biss

An artist cannot be continually wielding a brush. An artist must stop painting at times to freshen his or her vision. Living is also an art. We dare not become so absorbed in its technical processes that we lose our consciousness of its general plan.

The Sabbath represents those moments when we pause in our brushwork to renew our vision. Having done so, we take ourselves to our painting with clarified vision and renewed energy. This applies to the individual and to the community alike.

-Mordecai Kaplan

**Jimmy Mills you are an artist. Thank you for being you.**

Fox Valley Fire & Safety provides code required fire safety protection for commercial buildings and their occupants throughout Chicagoland.

The type of building, how it is used and what municipality it is located in determines the fire protection equipment and fire systems required by local, state, and national fire code. Specific code requirements of a multi-use high-rise in Chicago are different than a restaurant, hospital, office or school in the suburbs.

Although different buildings have different requirements, we all have something in common, that is a place we call home. As a public service to raise awareness of Lithium-Ion Battery and other contemporary fire hazards in your home, Fox Valley Fire & Safety's recent blog post provides a list of Five Home Fire Safety Essentials to keep yourself, your loved ones, and your neighbors safe.
