Space is limited
Reserve your spot today!

Connecting to the human spirit is essential to life. In this program we will define what the human connection means, the importance of the human connection, and how living in isolation can cause physical and mental issues. Learn how to connect through touch, music, laughter, listening, and knowing the person living with dementia.

Presented by

Chris Petrik, RN, BS, DCCS-CI

Director of Education, Dementia Reality Master
Trainer, Elderwerks Educational Services

1.0 CE credit available for Illinois nurses, social workers,
professional counselors and nursing home
administrators.
