# The Hidden Story of Nuremberg

**What if your father left you the keys to one of history's most defining moments?**

That's the question Laurie Pasler confronted after inheriting her dad's hidden World War II memorabilia from his service at the Nuremberg War Crimes Trials. An award-winning creative director and producer, Laurie

spent a decade piecing together the story through original artifacts, documents, and archival research. This journey led to Courtroom 600, a pioneering curriculum that teaches WWII through the lens of Nuremberg's irrefutable evidence—and offers a different angle for confronting antisemitism and hate.
