Our Programs and Services

ADULT DAY SERVICES (ADS)
Supervised, structured programs for people with Alzheimer's or related disorders or those who are frail or socially isolated. A group setting maximizes each participant's potential by promoting autonomy, creativity, and self-esteem.

ADS Deerfield—A program for people with early to moderate stage Alzheimer's disease and related dementias.

ADS Evanston—A program for people who are without cognitive impairment, who have mild dementia, or who have mid-stage dementia.

CJE BENEFITS SERVICES
Benefits Services staff provide free information, resources, and advocacy on issues that impact older adults, including consumer benefits, community services, public assistance, Medicare, Social Security, housing referrals, and transportation. Services are offered in English, Russian, Ukrainian, and Urdu.

CJE CARE MANAGEMENT SERVICES
Care Management partners with older adults in the community to foster their dignity, quality of life, as well as maximize their independence, health, safety, and well-being. Master's level social workers provide home care, meals, financial assistance, direct services, support, guidance, referrals, and more.

CJE COUNSELING SERVICES
CJE's clinical social workers provide counseling to older adults and families, addressing symptoms of anxiety and depression, as well as problems caused by family and caregiving issues, changes in health, losses, and other crises. The majority of group and individual sessions continue to be held via video or phone, but some clients can be seen face to face on an as-needed basis.

CJE METRO
CJE Metro expands CJE's Hub for Care Coordination to the Lakeview area, increasing access to critical support, and building connections through partnerships with faith-based and social service organizations. It bridges the gaps in care and community for older adults and their families, offering resources, guidance, and programs to help them thrive.

COMMUNITY ENGAGEMENT
Community Engagement encourages mental and physical health by providing education, lectures, activities, social events, and fitness and exercise programs. **CJE Cyber Club** presents a wide array of online classes and **My Go-To Place** offers programing in-person at Village Center and Anshe Emet.

DEMENTIA REALITY™
Dementia Reality is a virtual reality role-specific tool that teaches empathy and understanding. Trainees experience first-person simulations by shadowing a caregiver and then view the same scenario from the perspective of an individual with dementia. It offers training for both family caregivers and professionals.

HOLOCAUST COMMUNITY SERVICES (HCS)
HCS provides support to Holocaust survivors and family members, including programming, referrals, socialization, and ongoing financial help with food, medication, home care, or emergency needs. Russian-speaking staff available.

HOME-DELIVERED MEALS
Fresh or frozen Home-Delivered Meals are available for qualified individuals within specific boundaries in the Chicago area.

IRVING H. AND JANE W. GOLDBERG LEGAL SERVICES AT CJE
Free legal consultation, advice, referral and drafting of documents for older adults and their caregivers.

KOSHER CATERING
Weinberg Community provides kosher catering for holidays and special events. Food prepared under the supervision of Avram Pachter with oversight from Rabbi Michael Schwab, North Suburban Synagogue Beth El.

LINKAGES
Linkages is a program for older adults and their adult family members with disabilities.

SPIRITUAL AND RELIGIOUS LIFE
Aware that a healthy spiritual life is the foundation for the health and wellness of older adults, we have a full-time certified rabbi/chaplain and offer spiritual, religious, and cultural programs in our residences. CJE works closely with many community clergy to reach their congregants in need of services.

SUPPORT GROUPS
Support groups for adults, caregivers, and Holocaust survivors are facilitated by CJE counselors. Groups focus on bereavement, caregiver support, and aging challenges.

VOLUNTEER SERVICES
Our capable and dedicated volunteers offer their talents, skills and time to enhance programs and services for CJE's residents and clients in our various locations and in the larger community. These opportunities provide wonderful and rewarding exchanges for all involved.

WEINBERG COMMUNITY FOR SENIOR LIVING

Gidwitz Place for Assisted Living features one- and two-bedroom apartments for older adults who require a supportive environment yet still wish to live as independently as possible. Amenities include personal care services, housekeeping, restaurant-style dining, a full schedule of activities, and registered nurse on site 24/7. Respite care available.

The Friend Center for Memory Care is a welcoming residence for people with Alzheimer's disease or related disorders. Residents enjoy spacious private rooms, assistance with bathing and grooming, stimulating activities, and meals. The Bernard Heerey Annex has an expanded area for Adult Day Services programming. Respite care is also available.

ZOLLER/KAPLAN FAMILIES CENTER FOR COGNITIVE SERVICES
Located in Evanston, the Center is a premier resource for individuals experiencing memory changes and the families who support them. From the earliest signs of cognitive decline through ongoing care and caregiver support, we provide guidance, education, connection, and a clear path forward.

thank you

To Our Resource Development and Marketing Teams:

Your creativity, collaboration, and tireless dedication brought Celebrate CJE to life. Thank you for the countless contributions behind the scenes that helped make the evening such a meaningful success. Your efforts created an unforgettable experience for our guests, supporters, and community. We are grateful for all that you do!

With gratitude,

Stephanie Smerling

Paisley Valentinic
VP & Chief Marketing Officer

I was at Shul for Rabbi Siegel's last Shabbas service. And as he spoke and, deservedly, received many accolades my mind went back to the Conservative synagogue in which I grew up. At that time, it was a source of comfort and fulfillment. That and much more is how I reflect on my 15 years as a member of Anshe Emet; arriving, as I did, to hear the sepulcher tones of Cantor Mizrahi and the wisdom of Rabbi Siegel from the pulpit.

One of the more striking aspects of Anshe Emet has been its commitment to "social justice". In the tradition of an earlier time our rabbi, working with Pastor Chris Harris, brought about a striking partnership with Bright Star Church. They created a version of Natal in our city to ameliorate the difficulties of life for some here in Chicago. I cannot claim to know all the details but I do understand the work it takes to create such a community wide project.

As congregants, we have been treated to challenging fireside conversations with Yossi Klein Halevi, Bari Weiss and, more recently, Bret Stephens. The politics of Israel and the present existential challenges have been more vividly engaged by Rabbi Siegel's actions. I find comfort in this and a sense of pride in being a congregant at Anshe Emet.

Rabbi Siegel's tenure has left us better as a Congregation and as individuals.
I am grateful for that and am delighted to join CJE in celebrating him.
